## About us

Ikhlas Rescue for Mothers, Minority Consultancy and Research (IRMMCR) is a Somalia-based consulting firm committed to advancing the work of local and international NGOs through high-quality Monitoring & Evaluation, Research, Capacity Building, and Policy Advisory services.

Founded on the principles of integrity, excellence, and impact, IRMMCR is built by professionals with experience in humanitarian and development fields. While it's established in 2025, our firm brings together the knowledge, skills, and passion of experts who have worked with diverse organizations in Somalia and around the world.

We combine a deep understanding of local contexts with international best practices to provide solutions that are both culturally appropriate and technically sound. Our goal is to become a trusted partner for NGOs, government institutions, and donor-funded projects—helping them improve outcomes, strengthen accountability, and create lasting impact.
